

SAY NO TO DISTRACTED DRIVING

Drivers miss **50%** of what's around them when talking on a mobile phone

Change your message to **say "I'm busy"** or driving and will call back

Schedule your calls when you're **not driving**

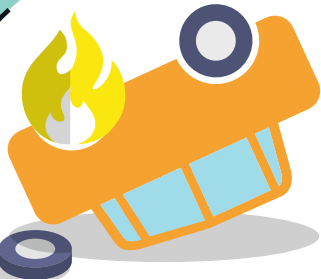

80% of drivers mistakenly think hands-free is safer than hand-held.

Hang Up!

Place your phone in your **trunk** if calls are too tempting

26% of car crashes involve cell phones
